

Future Problem Solving

Qualifying Problem

January 20, 2009

Space Junk

This session will enhance the Future Problem Solving process by providing information for Future Problem Solving Teams regarding a problem of study. Individuals with expertise in space junk will deliver information through brief presentations. This is the final session of the 2008-2009 academic year.

Date: 1/20/2009

Time: 9:00 a.m. - 11:30 a.m.
