

## Kidspiration 3.0

Audience: K-5 Teachers

Created for K-5 learners, Kidspiration supports development of thinking, literacy and numeracy skills using proven visual learning principles. In reading and writing, Kidspiration strengthens word recognition, vocabulary, comprehension, and written expression. With new visual math tools, students can build reasoning and problem solving skills and develop thinking skills across the curriculum.

**Each participants will receive the Kidspiration 3.0 software!**
